pardo yachts Gt 52

1 250 000 € ALL TAX INCLUDED

Description

The Pardo GT 52 was created for those who want the perfect balance between comfort and sporty navigation: ample space, maximum relaxation and complete equipment for long stays, but also high performance and dynamic lines. The GT 52 thus proves to be the ideal choice to welcome guests and experience the sea without compromise. The GT 52 represents a complete synthesis between the most popular features of the Walkaround range and those of the Endurance range. It takes up the iconic design of Pardo – with the reverse bow, sleek lines and modern shapes – harmoniously integrating some distinctive elements of both ranges. When underway, it ensures cruising speed, safety and intuitive manoeuvrability. On board, it stands out for its great livability: a large deck that facilitates the passage from bow to stern and bright and spacious interiors, designed in continuity with the exteriors thanks to the large panoramic windows that can be opened. Designed to maintain continuity between the exterior and interior, to bring the view of the sea even to the covered areas, the saloon on the main deck is designed to offer a wonderful feeling of freedom and brightness to its guests.

Navigation equipment:

Rudder angle indicator, Radar Antenna (Garmin), Electronic engine control, On-Board Computer (Volvo), Chain counter, Odometer (Garmin), Depth Sounder (Garmin), GPS (Garmin), Joystick (Volvo IPS), 2 Chartplotter (Garmin da 16"), Radar (Garmin), VHF Radio (Garmin), Co-pilot seat, Dynamic positioning system.
