

SALE PRE OWNED

odc marine Nyami 54 electric passenger boat 399 000 € + VAT

Description

NYAMI 54 (ODC MARINE) - 2013, Full Electric-powered boat, French flag, Price + VAT

54 Pax max

Catamaran-type vessel equipped with a 100% ZERO EMISSION electric propulsion system.

Electric propulsion system

240 batteries of 400 Ah divided into two packs for propulsion. These are latest generation lithium iron phosphate batteries. Theoretical charge number 3000. They are without memory effect, maintenance-free, without problem of temperature rise.

2 permanent magnet brushless dc motors (maintenance free) water cooled running at 384v

2 battery controllers, water-cooled, managed by touch screens on the steering console

2 chargers 220 V / 384 V, allowing the packs to be recharged from 2 to 6 hours depending on the power chosen

Works to be fully operational:

- Battery chargers replacement: 2 battery chargers, Lithium Dilong 380V / 20Kw

with interface CAN bus, mounted on the console, and delivery in...
