499 000 € EX. VAT

Description

Built in 2023, VIRAGE OF LONDON (39'/12M) is a Fiart 39 Seawalker that perfectly blends Italian elegance with exhilarating performance. Powered by triple 300HP Mercury Verado V8 outboards, this yacht delivers thrilling acceleration, smooth handling, and remarkable efficiency. Whether cruising comfortably along the coast or reaching speeds of up to 40 knots, the 39 SW is designed to impress at every turn.

On deck, VIRAGE OF LONDON offers a layout tailored for both socializing and relaxation. Expansive foredeck sunpads, an elegant L-shaped cockpit seating area with movable headrests, and generous fold-out teak tables create the perfect setting for entertaining guests. A fold-down hydraulic platform to starboard further extends the living space, seamlessly connecting guests to the sea. High-end finishes, teak decking throughout, and refined detailing highlight Fiart's craftsmanship and attention to design.

Below deck, the 39 SW offers a surprisingly spacious interior for its size, making it ideal for weekend getaways. The owner's cabin features a double berth with refined storage solutions, while the twin cabin provides excellent headroom and natural light. A separate, fully equipped day head with enclosed shower adds comfort and practicality. With air conditioning, a Fusion entertainment system, and a Samsung Smart TV, the yacht provides both luxury and convenience. The helm station features a sleek dashboard finished in gloss grey, triple semi-stand/sit helm seats, and a Garmin Glass Helm GPSMAP
