Description

The Jeanneau DB/37 OB is a premium day boat that combines elegance, performance, and conviviality for exceptional nautical adventures. Measuring under 12 meters overall, with a hull length of 10.65 meters, it strikes the perfect balance between agility and comfort. At the helm, everything is designed for control and comfort. Two ergonomic seats and a wide windshield protect you from spray while ensuring excellent visibility. Where this boat truly excels is in shared moments: its spacious, welcoming cockpit transforms into a vibrant lounge open to the sea. At anchor, the electrically deployable side terraces expand the onboard living space. Modular seating allows you to adapt the layout to your preferences. For sun lovers, a generous and safely accessible forward sunpad invites you to relax. For extended stays, the DB/37 features two spacious, light-filled cabins with all the comfort needed for a relaxing cruise.

Whether for an outing with friends, a family getaway, or a romantic cruise, the Jeanneau DB/37 OB adapts effortlessly to every desire.
