Description

The Menorquin 160 is a classic and robust yacht, almost 16 meters long, which embodies the spirit of traditional Spanish boating with a touch of Mediterranean elegance. Thanks to its semi-displacement hull, it ensures stable and comfortable sailing even in challenging sea conditions, with a cruising speed of about 13 knots and a maximum of 19 knots. This motoryacht has three spacious cabins with 6-8 berths, and two bathrooms, offering spacious living spaces with bright interiors and high-quality finishes in teak wood and iroko. The exteriors offer great comfort with a large teak cockpit, an incredibly spacious solarium at the bow and large side corridors, ideal for enjoying the sea in total relaxation. The instrumentation is complete and modern, with electronic navigation systems such as GPS, autopilot, AIS, radar and autopilot with remote control, while the on-board equipment includes air conditioning, a galley equipped with ovens and refrigerators, boilers, outdoor showers, Burmese teak bathroom and double solar panels that power 2 battery packs (one standard one lithium). It is the perfect boat for long-duration Mediterranean cruises, guaranteeing very high comfort, classic style and reliability. Tender included with a 9.9 hp.

Navigation equipment:

Rudder angle indicator, Radar Antenna, Electronic engine control, Chain counter, DSC vhf (BQG), GPS (SIMRAD), Plotter with GPS antenna, Radar (Raymarine).

Staging and technical:

Fume/Gas Detector, Engine Alarm, Bilge Alarm, Water pressure pump, Batteries (normali e doppie al litio alimentate anche da pannelli
