Description

Elegance, comfort and technology come together perfectly on board this splendid boat, designed to offer the ultimate in livability and performance. With sleek lines and harmonious proportions, this yacht combines contemporary style and functionality, ideal for long cruises or short leisure trips. The main deck houses a large saloon with living and entertainment area, while the aft cockpit, equipped with a wet bar and retractable electric awning, guarantees moments of relaxation in total comfort. The technical equipment is of the highest level: Side Power bow thruster, ZF joystick, Humphree flaps, 16kW Kohler generator, dual-cycle air conditioning, as well as a complete audio/video system and Raymarine satellite antenna. Deck equipment includes a tender lift, hydraulic gangway, Quick electric winches, as well as a Selva GT340 tender with a 20hp Mercury engine. Every detail has been designed to ensure safety, autonomy and style. The outdoor spaces are complete with awnings, integral covers and colored underwater lights, creating a refined atmosphere even when sailing at night. The yacht is perfect for those who want to experience the sea with class and practicality, with the reliability of advanced technical solutions and a configuration designed for both family and hospitality. Comprehensive safety equipment and a separate crew area also make the boat suitable for professional ownership's use. Performance, design and build quality come together in a boat ready to satisfy even the most demanding owner.2020/2021
