Description

Maxima 550 – Boat without a license ideal for relaxing days in contact with nature

If you are looking for an elegant, comfortable and accessible boat to experience the sea calmly and authentically, the **Maxima 550** is the perfect choice. This model stands out for its refined design, its stability in navigation and the ability to offer a unique experience to those who want to enjoy the sea in total relaxation, away from the frenzy and speed.

The **Maxima 550** is a motor boat ideal for day trips, designed for those who love to immerse themselves in nature and experience every detail of the seascape. With a short length and a clever layout of space, it can comfortably accommodate up to **7 people**, making it perfect for excursions with family, friends or as a couple, both during the day and at sunset.

Navigation without a license – 40 horsepower engine

One of the great advantages of the Maxima 550 is the possibility of being driven **without a boat license**, thanks to its efficient **40 horsepower** engine. This makes it accessible even to young people aged 16 and over, offering an excellent opportunity for those who want to approach the world of boating without bureaucratic obligations. The quiet and reliable engine ensures smooth and safe sailing, perfect for coastal excursions, lake trips or fishing days.

Practicality and portability

Thanks to its compact size, the Maxima 550 is easily transported with a trolley that can be towed by the car, making it the ideal companion
