sunreef Sunreef 80

## Description

The Sunreef 80 offers unrivalled living potential, with interior and exterior spaces in perfect harmony. A clever deck and superstructure design extends the living space, while the yacht's teak finishes, high bulwarks and classic profile evoke a marriage of tradition and modernity.

The Sunreef 80 can accommodate 10 guests in 5 magnificent staterooms, each with its own en-suite bathroom.

Thanks to its innovative superstructure, the Sunreef 80 has a saloon with enormous living potential.

The foredeck offers a comfortable seating area sheltered from the wind and sun. The cockpit is equipped with a hydraulic platform for even more comfort.

All these spaces come together in a large semi-open saloon where freedom and creativity reign.

The 54m² upper deck of the Sunreef 80 is dedicated to the art of living at sea. There is a large dining table, mobile furniture, a Jacuzzi, a bar with barbecue and sun loungers.

The hulls offer exceptional volume, making it easy to create a personalised layout with luxurious guest cabins and a spacious owner's suite with a large dressing room, desk, sofa, retractable TV and huge bathroom.

The Sunreef 80 is fully air-conditioned.

The catamaran is equipped with mainsail, genoa and gennaker.
