## Description

2011 Tecnomar Nadara 100 Luxurious Tecnomar 100 M/Y AURORA was launched in June 2011. This super yacht of 30 meters of Tecnomar's Nadara line has a proven charter record and is priced very attractively. The yacht's main advantages:

- 1) V-drive to save the internal space - to make 5 cabins (3 of which are double)
- 2) Full beam master suite
- 3) Well-cared since 2011, regular maintenance, partial refit done in 2019-2020. One owner since new.
- 4) Well-placed Jacuzzi in the bow, many water toys.
- 5) Balanced model from a famous shipyard

Exterior: Aurora's outdoor areas are spacious and relaxing. In the bow there is a Jacuzzi surrounded by sunbathing cushions and a bench. In the cockpit there is a large table for 10, which drops down to convert to a wide sunbathing area. The lowered bulwark and the extra-large windows allow maximum natural light on the main deck and in all guests' cabins. Interior: The stylish interiors have clean lines & lots of light. Natural light, visible across a great glass door, melts with the LED light under the furniture and the walls. Aurora has remarkable quality of details and finish. Aurora's main deck hosts the main salon, the dining area, the galley and the wheelhouse. The 5 cabins on the lower deck include the full beam master suite, 2 doubles and 2 twins, which can be accessed through the main staircase. Number of Guest Cabins: 5 (Total Guests: 10-12) Cabin Configuration: ( 3 Double, 2 Twin) Total Crew: 6 EQUIPMENT - 2 x Caterpillar C32 ACERT V12 1825hp - 2 x 32 kW Generators The fuel tanks have a capacity of 7.140 liters. Fore tank 2160, Aft 780, Daily tanks 4200 Consumption at cruising and maximum speeds: 450 lt at 18 knots - 1000 lt at 23 knots Cruising Speed: 22 knots Water maker and the water tank can hold 3000 Liters Radar
