Description

Sessa Marine's Key Largo 27 (available in both outboard and inboard versions) is the 8-meter open that combines sportiness, elegance and innovation, offering a unique sailing experience. The result of more than 2,000 units sold, this model represents the natural evolution of the range and stands out for its modern design, angular lines and a new livery enriched by a panoramic glass window that gives light to the interiors and emphasizes its character as a true luxury day cruiser. Designed for those who love the sea with freedom and style, this boat is available with a fast delivery time: only 4 months from the order, guaranteeing the future owner a customizable boat ready in a short time.

The standard equipment is rich and functional: in the cockpit we find anti-UV and water-resistant cushions, an "L" shaped sofa that can be reconfigured into a sundeck, a picnic area with sink, cooking plates and fridge under the helm seat, as well as a retractable awning, storage lockers and swimming ladder. The console is cared for in detail, with a three-dimensional panel, compass, steel/leather steering wheel and separate sports seats.

From a technical point of view, the boat is equipped with a 500-liter fuel tank, a 77-liter fresh water tank, LED lights, electric flaps, automatic and manual bilge pumps, a fire extinguishing system and dedicated engine and service batteries.

In summary, the Key Largo 27 is a modern, complete and reliable boat, ideal for those looking for performance, comfort and an unmistakable design.
