Description

This open with a gritty character and a sporty look features a completely redesigned fairing, which favors the increase in performance and the optimization of consumption.

To "enjoy the sea" in all its facets, the boat's layout has been structured with a modular cockpit: convertible sofas and two electro-hydraulic side balconies, which give guests even larger and more livable spaces, directly in contact with the sea.

The console follows the refined style of the boat, in a mix of functionality and elegance, with particular attention to the ergonomics of the driver's seat.

Below deck, the natural light of the large side panoramic windows offers an enviable view: a real window on the sea.

You can choose from different engine configurations, up to the maximum engine allowed Yamaha 3x425 HP or Mercury 3x400 HP, for a perfect balance between power, efficiency and sailing comfort.

Interior description

The interior of the Key Largo 40 reflects the perfect synthesis of comfort and sporty style. Every detail has been designed to offer guests a refined and welcoming experience, typical of Sessa Marine design.

Below deck, the rooms are flooded with natural light thanks to the large panoramic side windows, which expand the perception of space and offer a splendid view of the sea.

The owner's cabin, located in the bow, has a comfortable double bed and numerous storage compartments. The convertible dinette accommodates a sofa with a convertible table, creating a convivial
