Description

BENETEAU FIRST 53 from 2020, model year 2021, is an elegant performance sailboat, designed for both regattas and offshore cruising. This first-hand boat has never been chartered; it has sailed the waters with its passionate owner, who entered it for four years in the Voiles de Saint-Tropez, a testament to its potential and seaworthiness. Professionally maintained, with a Yanmar 4JH110 engine (110 hp), approximately 630 hours, a bow thruster, a 3.00 m bulbous keel, a €45,000 option for maximum stability and performance, Awlgrip paint, an anti-osmosis hull, and complete navigation equipment (GPS, radar, autopilot, depth sounder, wind instruments). Everything is in place for confident sailing.

Refined interior, optimized layout, onboard comfort with generous freshwater (700 L), 400 L fuel capacity, and well-designed deck equipment: electric windlass, tender garage, and modern winches. This First 53 seduces with its blend of sportiness, comfort, and reliability. It's the ideal companion for anyone looking for a high-performance sailboat without compromise.

Virtual tour available.
