pershing 5x

850 000 € All Tax Included

Description

The Pershing 5X was the first chapter in a new Pershing story: "The X Generation", this hardtop "coupé" will captivate you with its performance: a cruising speed of 30 knots, thanks to its 2 Volvo Penta IPS 950 D11 of 725hp, guaranteeing an announced range of 300 nm. A great opportunity for this 2018 unit, which has only 440 hours of sailing time. Sleeps 6 in 2 very attractive cabins (with en-suite bathrooms) and a convertible saloon. Karman Kardon sound system, TV in the cabins, saloon and cockpit, enjoy the sounds as well as those of her engines. A beautiful Miele galley, a 12 Kw generator, hydraulic gangway, you're ready for a unique stopover in a creek. We love the SeaKeeper system (no more wave movements), the virtual anchor, the saloon table in carbon, the teak, the camera in the engine room, the man overboard system... With this sub-16m boat, you're in for a treat...
