nova marine Black shiver 100

275 000 € All Tax Included

Description

A semi-rigid look, seaworthy in all weathers, its rigid extrusions mean you won't have to worry about thermal variations in volume.

The BlackShiver 100 has a sleek, racy design that you'll find on superyachts, which often use it as a tender. The lines of the hull have been test in every sea condition to ensure the vehicle is safe and within the capacity of all, thus offering unique and exciting moments. This unit is a real opportunity, from 2023 she has sailed little, equipped with 2 Mercury Mercruiser 260 hp. with SmartCraft electronic controls.

Grab your picnic and take to the waves at a cruising speed of 28 knots. All water sports are yours, just choose... Full teak, with its numerous lockers in the bow and its spacious saloon, indulge yourself in great moments with family or friends (up to 20 passengers). You can choose the bow or the stern (convertible squares) to enjoy the sun. Comes with a rear cover
