dehler 38

210 000 € ALL TAX INCLUDED

Description

The Dehler 38 is a sleek and high-performance sailing yacht designed to deliver both comfort and excitement at sea. Renowned for its excellent sailing capabilities and versatility, it appeals to seasoned sailors as well as leisure cruisers looking to combine pleasure and performance. With its modern design, optimized layout, and advanced onboard systems, it offers an ideal opportunity for those seeking dynamic coastal cruising or light offshore adventure.

The deck layout of the Dehler 38 is crafted to balance sailing efficiency with relaxation. The cockpit, kept clear of running rigging in guest areas, provides a safe and comfortable space underway. An outdoor table creates a convivial setting at anchor, while the twin helm stations aft offer excellent visibility and intuitive control. The fold-down transom transforms into a practical swim platform, providing easy access to the water.

Inside, the Dehler 38 features a bright and welcoming saloon thanks to large windows and deck hatches. Contemporary wood finishes and refined details create a warm and inviting atmosphere. The saloon can be arranged as a lounge or dining area, and the navigation station adds functional convenience. Depending on the chosen layout, the yacht can comfortably accommodate four to six guests in two or three cabins, striking a thoughtful balance between privacy and practicality. In terms of performance, the Dehler 38 is equipped with an efficient rig and modern sail-handling systems for responsive and enjoyable sailing. Its draft allows access to a variety of anchorages while maintaining excellent stability and strong upwind performance. A
