Description

SELECTION 37 is a construction by the JEANNEAU shipyards based on Joubert/Nivelt plans, inspired by the ONE TONNER hull design, very fast on the water and very demanding. On deck, you can notice the double companionway which allows for a larger working area during racing. The deck fittings are very comprehensive, the cockpit is well designed with its wide inclined coamings. Inside, the "ROYALE TFV" VERSION with its 2 cabins (7 berths), bathroom, kitchen, chart table... Well-maintained sailboat, deck, and cockpit repainted in 2024. To visit at PORT MARITIMA - MARTIGUES.
