Description

Discover the CK 70 catamaran, an exceptional vessel that combines performance, comfort, and elegant design. With its length of 22.22 meters, it offers a spacious on-board area, ideal for luxury cruises or family adventures.

Built with high-quality materials, this catamaran ensures durability and reliability. Its two spacious hulls provide exceptional stability, while the wide decks allow passengers to enjoy panoramic views of the ocean.

The luxurious interior of the CK 70 features a spacious salon, an elegant dining area, and a fully equipped kitchen. Well-appointed ensuite cabins offer a private space for rest and relaxation.

Equipped with powerful engines, the CK 70 achieves impressive speeds while ensuring smooth navigation. Equipped with the latest navigation and communication technologies, it provides a safe and enjoyable sailing experience.

This catamaran features 4 luxurious cabins with double beds and ensuite bathrooms, as well as 2 large crew cabins. Made of aluminum, it is sturdy and indestructible. Its 26-meter aluminum mast, 120m2 Elvstrom mainsail, 130m2 genoa with electric furler, and total sail area of 320m2, including the staysail, provide agility and performance.

Contact us for more information about this CK 70 catamaran, which promises unforgettable sailing adventures.
