Description

A timeless icon, a symbol of the Italian dolce vita and nautical elegance: the 1958 Riva Florida is not simply a boat, but a piece of history. Born from the vision of Carlo Riva, this model embodies the spirit of the 50s, with its refined lines, precious wood and the unmistakable roar of the engine that has made generations dream. Owning a Riva Florida means guarding a floating work of art, loved by aristocrats, actors and style enthusiasts. It is the precursor of the legendary Aquarama, and represents one of the most fascinating chapters of the Italian nautical tradition. This 1958 example is a tribute to craftsmanship, beauty and freedom. It is not just a boat: it is an experience, an emotion, a privilege.
