solaris power 40 open

PRICE UPON REQUEST

Description

Since 1974, seaworthiness has been Solaris Power's design priority and the shape of the hull is the first and most important element of seaworthiness. The hull of the 40 represents a further evolutionary step of the tested and appreciated Solaris Power hulls. The innovative 40 open offers the longest exterior layout in its category with the largest living area between dinette and sundeck. All of this can only be found on a 43/44 foot boat. Inside, in addition to large volumes fore and stern, the boat offers a bathroom with a separate shower.

COMFORT ON BOARD:

- three large lockers under the sundeck;
- a very large T-Top that allows a large shaded area;
- large, functional machine room set-up with components of the highest quality;
- low noise and absence of vibrations;
- uniqueness and beauty:
- Class-leading build quality.

MARINE QUALITIES:

- soft passage on the wave and dry deck even in rough seas;
- great stability when sailing and at anchor;
- low fuel consumption and consequent great autonomy and reduced CO2 emissions;
- it navigates perfectly both in displacement and planing;
- ease of manoeuvring in port thanks to the versatility of the joystick;
- record-breaking performance with a top speed of almost 42 knots.
