Description

XBOAT ref :6223.The Privilege 615 remains one of the representative models of great comfortable, secure, and refined cruising... Built in a limited series, it offers an incredible living space and safe sailing conditions, even in bad weather.

UKIYO, built in 2008, is a beautiful owner's version in mahogany with an L-shaped lounge, a spacious saloon with a dining table and bar. The pale blue upholstery, matching the hull color, gives it a beautiful elegance, with always these renowned and refined finishes at PRIVILEGE. The owner's cabin is forward, with the large bed on the bow, with incredible volumes, with a desk area and dressing in the corridor. 2 other double cabins are located aft, and the 3rd one on the starboard bow accessible with the bow for the crew. The fully equipped galley is located in the central and bright corridor.

Several owners have succeeded each other and have known how to evolve this unit with among others a refit in 2021: engines replaced in 2022, electronics in 2021, large arch supporting solar panels above the tender, and many others. UKIYO comes back from a long family trip, it hasn't had the time yet to manage everything on board, so an attractive price for a unit that deserves to find its new owner. And available in the Mediterranean! More details and pictures on xboat.uk
