**47 000 € ALL TAX INCLUDED**

## Description

---

Discover the Airon Marine 325, a 9.78-metre open boat that combines Italian elegance, mechanical reliability and sailing pleasure. Built in 2003, it is powered by two Volvo KAD32P diesel engines, renowned for their fuel efficiency and endurance, ideal for comfortable and peaceful outings.

We love this model for its timeless design, its large cockpit (the most user-friendly and spacious in its category) and its high-performance hull.

This 325 has been meticulously maintained - invoices available: 2025: injectors, bilge pump, alternator? 2024: overhaul of both turbos and compressor? 2023: base bellows, complete removal? 2022: trim cylinders, cylinder heads, manifolds

Some cosmetic work is required: teak on the cockpit step / original upholstery.

Very few models currently on the market.
