

SALE PRE OWNED

maori yacht M 46

1 300 000 € EX. VAT

## Description

The MAORI M46 is true to the Maori heritage and is the product of years of development, resulting in a high-performance boat that combines comfort and power. Powered by two 650 hp Caterpillar inboard engines, it has an impressive top speed of almost 45 knots, fantastic maneuverability with bow and stern thrusters and a shallow draft. Its outdoor spaces are extremely comfortable with lounge areas both forward and aft, an aft seating area complete with table, outdoor kitchen with sink/fridge/ice machine and helm station that can accommodate up to 3 people. Custom cushions match the grey paint job and teak deck. A large Bimini hard top provides plenty of shade. The gangway that folds down from the aft swim platform serves as an access ladder or a fantastic trampoline! The interior features a full bathroom with shower, toilet and sink, living area and lounge cushion that serves as a bed, plenty of headroom, storage and of course air conditioning.
