## Description

Sail in style, comfort dominates: Sessa Marine C48 / F48 – Italian elegance to experience the sea at 15 meters

Have you ever wanted a yacht that combines Italian design, easy maneuverability and generous spaces to live at sea like at home? You often come across long boats, uncomfortable in port, with layouts that are not very usable or interior fittings that seem designed more for aesthetics than for the owner.

The difficulty: finding a boat that offers sporty performance, premium aesthetics and at the same time is easy to manage for families, owner-operators or weekends with friends.

Here's the answer: Sessa Marine C48 / F48.

With the C48 you have a length of 14.90 m, width 4.36 m, a limited draft and a hydraulic platform at the stern that amplifies the outdoor spaces.

With the F48 you have a length of 14.90 m, a width of about 4.39 m, a twin Volvo Penta engine that pushes the boat up to 35 knots, a 3-cabin/2-bathroom layout designed for comfort and conviviality.

Whether you are looking for the C48 or the F48, you are choosing:

- a design recognized for its elegance and sportiness;
- technical solutions suitable for all uses (IPS joystick, rational layout);
- outdoor spaces – cockpit, sun-pad, t-top or flybridge – designed to experience the sea, not just 'navigate' it.
