## Description

Sunseeker Predator 74 XPS – 2022 – 2 x MAN 12V 1900 – 1900Hp – 1 x Onan 27kW – 3 guest cabins + 1 crew cabin

The boat is in excellent condition, also thanks to its private use only, combining style, elegance and sporty DNA. In this limited edition, XPS stands out for its exclusive design and exceptional performance, reaching speeds of over 40 knots. Elegant windows run along the side deck, offering an uninterrupted view of the sea and naturally illuminating the interior spaces, from the generous saloon to the helm station; all under the enchanting panoramic sliding glass roof.

Below deck there is a large galley and 3 spacious guest cabins: in the center of the boat a full-beam master cabin with internal armouring and ensuite bathroom, then a twin with single beds on the flat and finally in the bow a VIP cabin, both with ensuite bathroom.

The outdoor spaces from the stern, with the comfortable living area, to the bow, with the large sun deck, offer generous areas for relaxation and privacy.
