## Description

---

The Bandido 75 is just shocking the roomy it is. Once on board you just can't admit yourself you're on a Vessel smaller than 24mts LOA. The cabins and restrooms are home-size, the galley too. The fly is a tennis court; this specifically all empty, to be dressed up just the way you (or your wife) want, with practical loose outdoor furniture. Waterline to the top is more than 10mts high, she's palatial gigantic. The crew has a totally separate cabin, and a totally separated galley. The engines room is spectacular, it's not only a man can stand, an elephant could.

This unit offers a 4-cabin layout, including a spacious full-beam owner's suite amidships, Vip up front, 2nd Vip queen size bed to port, guest double bunks to stbd. Day head on main deck, again immense. Completely refurbished in 2017, it boasts new paint and numerous upgrades, including Wesmar FIN stabilizers, hydraulic thrusters in the bow and stern, and a control station in the cockpit for impeccable maneuverability.

On board we find a large sundeck with hardtop, a hydraulic bathing platform, and a spacious garage for tenders (up to 5 mts long!) and water toys. Comfort is guaranteed by underfloor heating in the saloon and owner's suite.

This yacht has a transatlantic range, and has undergone a recent MAN inspection with 1739 hours of operation.

EU VAT paid.

Navigation equipment:

AIS, Rudder angle indicator, Radar Antenna, Electronic engine control, 3
