Description

This splendid unit from the famous English shipyard Princess Yachts represents the excellence of navigation in style and safety. Built in 2013 and registered in 2014, always maintained with the utmost care, it offers high-level performance thanks to the 1,622 HP Caterpillar C32 engine, with about 700 hours of use. It is equipped with bow and stern thrusters, which make every maneuver simple and precise, even in confined spaces, and a 27 kW Onan generator, capable of guaranteeing constant energy on board in any situation. The interiors are bright, elegant and finished with quality materials, offering large and well-distributed spaces, perfect for long cruises in total comfort. The flybridge, equipped with a Jacuzzi and large sunbathing areas, enhances the experience on board and makes this boat perfect for both exclusive private use and high-level charter activities. An unmissable opportunity for those who want to combine reliability, style and performance in a single yacht.
