fairline Squadron 68

## Description

---

A Fairline interior fulfils its purpose when you step on-board and say, "Ahhh."

Creating a space that is truly comfortable requires more than reaching for a cosy pillow and blanket; it's about tapping into sensibilities that speak to our deepest and most essential needs.

Our new "Beach Club" interiors are defined by serene living spaces, as the focus of life on-board moves closer to the water. Earth tones, deep blue hues, natural weaves, and linen textures make way for an interior collection that is as gentle as the Mediterranean breeze.

One area effortlessly flows into the next using dynamic diagonal lines, leading your eye-line through the space. Oak wood floors, beautifully lacquered cabinetry, luxury natural fibre carpets and vertical slatted timber details harmonise and evoke a sense of calm. It's the perfect setting for waterside living and entertaining.
