Description

The Beneteau Gran Turismo 50 is an elegant and high-performance 15.8-metre sport-cruiser, available in a hard-top or flybridge version. It offers bright and refined interiors, with 2 or 3 cabins and a full-beam owner's suite. The Volvo IPS 650 engine ensures easy manoeuvring and speeds of up to 31 knots. The Ship Control system manages all on-board functions intuitively. Ideal for comfortable and dynamic cruises, with spaces of a true yacht of a superior class.

It will be presented to the world at the next Paris Boat Show, which will be held from 26 to 30 November 2025, and will then be exhibited at the BOOT in Düsseldorf in January 2026.
