Description

A symbol of Italian craftsmanship and sophistication, the Sessa C30 perfectly combines performance, comfort, and style.

Powered by twin Volvo Diesel inboard engines of 190 hp each and assisted by a bow thruster, it delivers smooth, precise, and secure navigation, ideal for enjoying the waters of the French Riviera, whether for a day cruise along the coast or a longer voyage to nearby islands. Its elegant blue hull, highlighted by sleek and timeless lines, makes a statement in every Mediterranean port.

On board, comfort and design go hand in hand:

Warm and bright wood-finished interior, featuring a convertible salon (Bultex mattress for 2), a double cabin, a fully equipped galley, and a complete bathroom.

Spacious teak cockpit, designed as a true outdoor lounge with refrigerator, sink, and aft deck shower.

High-end equipment: GPS, autopilot, radar, TV, hot water inside and out, new canvas covers, and a complete safety package (semi-offshore + 6-person life raft).

This fully-equipped Sessa C30, meticulously maintained, is ready to sail with no additional expenses required.

Perfect for those seeking to cruise in style and peace of mind on the French Riviera, it offers the comfort of a yacht, the maneuverability of a 30-foot boat, and the reliability of a top Italian brand.
