## Description

---

The perfect alliance of sportiness and refinement, the MAR.CO Emotion 29 embodies the very essence of the high-end RIB. A true expression of Italian craftsmanship, it stands out with its sleek, timeless lines, exceptional comfort, and remarkably balanced marine performance. As one of MAR.CO's signature creations, the Emotion 29 blends power, stability, and pure pleasure at sea — for moments that combine freedom with understated luxury.

Measuring 8.90 meters in length and 3.30 meters in beam, this RIB offers a remarkably spacious layout — ideal for getaways with family or friends in one of the most beautiful bays in the world: Cannes. The deck, elegantly designed, invites relaxation with its large sunbathing areas fore and aft, refined upholstery, and convivial cockpit. At sea, the deep-V hull ensures a smooth, precise ride even in choppy conditions, while the twin engines — delivering up to 500 horsepower — provide brisk acceleration and a comfortable cruising speed around the Lérins Islands or all the way to Saint-Tropez.

Beneath its elegant silhouette lies a true cruising unit: a welcoming cabin offers the possibility of overnight stays, complemented by a private head and refined finishes that reflect meticulous attention to detail. With its shallow draft, the Emotion 29 lets you approach beaches, reach the hidden coves of the Estérel, or enjoy peaceful anchorages facing the Croisette.

The MAR.CO Emotion 29 is not just a boat — it's a Mediterranean way of life. A perfect balance of performance, design, and comfort, crafted for those who seek the freedom to navigate without compromise. In
