

SALE NEW

neel-trimarans 43

Description

The NEEL 43 Caraïbes is a model we've ordered so that you can start enjoying it today, and make the most of sailing in the Caribbean. This family model is perfectly suited to our cruising area, with its large openings allowing you to enjoy the light and the breathtaking scenery of the Caribbean. Its sun-drenched saloon offers a very pleasant living space. In the modern, functional galley, you'll find a two-drawer refrigerator (130 L capacity) and a 75L freezer in the central hull. Equipped with 3 double cabins and a showerroom with washbasin and shower area, this model of sailboat is perfect for stays with family or friends. On the outside, the Cockloot® (indoor/outdoor living space, a NEEL-TRIMARANS trademark) offers an extra-large cockpit in the extension of the saloon, with numerous seating options oriented in different ways to take full advantage of the landscapes. All controls are centralized at the helm station, which is elevated for a 360° view. The Neel 43 features a unique rudder for improved helm feel. Wide aft skirts facilitate access to the sea and dinghy maneuvers. You'll love sailing this trimaran, which combines safety, performance under sail and comfort on board. *** Services included: Preparation, masting, launching and commissioning in La Rochelle Handover Deconstruction tax paid For more information: For more information and to find out about other options that can be installed on this NEEL 43, please contact us. For delivery times and rates in the French West Indies, please contact us. For more information, please contact us!
