## Description

Pardo 38 is synonym for power and elegance, comfort, functionality and personalization. These values identify each Pardo Yachts model, hand built by expert artisans for a sophisticated owner, who appreciates high quality, top design, luxury and comfort, combined with performance and speed.

The layout is studied in every detail. The design of every Pardo Yacht is designed to make the best use of spaces, navigating in the luxury of comfort.

The interior can be configured with two different layouts: standard layout includes one cabin with a double bed and a separate shower/head area.
