Description

The 82ft Mangusta is a fast, stylish, and powerful Mediterranean sports yacht designed by Andrea Bacigalupo.

Part of the renowned 80HT series, she combines performance and elegance in true Mangusta fashion. Powered by twin MTU 2400hp engines, she cruises at 40 knots and reaches 45 knots max speed. Her modified deep-V hull ensures stability and comfort even at high speeds.

Since her 2018 launch she has benefited from annual winter maintenance, keeping her in pristine condition. Her bright, modern interiors feature chic furnishings and a spacious main salon with a relaxing lounge area. Below deck, the fully equipped galley and refined décor enhance onboard comfort.

Accommodation is for seven guests in three elegant cabins: a full-beam master, a VIP double, and a twin with Pullman, all ensuite. Crew quarters host three members in two cabins for efficient service. Outdoor spaces are ideal for entertaining, with aft sunpads, alfresco dining, and foredeck loungers with an integrated sound system. The perfect yacht for speed lovers seeking Italian design, luxury, and performance.
