jeanneau Leader 805

29 000 € ALL TAX INCLUDED

## Description

---

Moored on the beautiful French Riviera, this Jeanneau Leader 805 is an iconic example of French craftsmanship in pleasure boating. Renowned for its comfort, build quality, and excellent sea-keeping abilities, it offers the perfect balance between sportiness and family cruising. In excellent condition, this boat combines elegance, power, and conviviality — ideal for fully enjoying the Mediterranean.

Measuring 8.30 meters in length and 2.95 meters in beam, the Leader 805 provides generous living space both inside and out. The cockpit, spacious and versatile, is designed for relaxation and socializing: a large U-shaped bench convertible into a sunbathing area, an ergonomic helm station, and easy access to the aft swim platform for swimming. The layout creates an ideal setting for day trips as well as coastal cruises.

Inside, the atmosphere is bright and functional, featuring a convertible salon, a comfortable mid-cabin, and a fully equipped galley with refrigerator, sink, and cooking hob. The separate bathroom includes a sink, toilet, and shower. With accommodation for four to five guests, this Leader 805 allows for cruising in complete autonomy and comfort, comparable to much larger boats.

In terms of performance, the boat is powered by a Volvo Penta 5.7 GXi 320 hp petrol engine, renowned for its reliability and smooth operation. It offers lively and stable handling with excellent sea-keeping even in challenging conditions. The 320-liter fuel tank ensures good range, while the 100-liter freshwater tank guarantees comfort during extended stops.
