gibert marine Gin fizz

29 500 € ALL TAX INCLUDED

Description

GIN FIZZ is a Michel Joubert design, spacious, fast, and robust, with a comfortable central cockpit that ensures safety during long voyages. It is a travel sailboat par excellence, a true 4x4 of the seas. The Gibert Marine shipyard provided extra leeway regarding the rigging and hardware. The refitting of a rear platform with teak decking and footstep enhances its performance and in-water comfort. It offers 2 double cabins accommodating up to 9 people and is certified for 10 passengers, making it a very well-equipped second-hand boat. Osmosis detected on the hull. Visible in Port Maritima – Martigues.

Interiors:

Inside, the layout is perfectly functional: discover a large L-shaped galley to starboard and the chart table next to the navigator's berth on the opposite side.

A very spacious saloon can accommodate 5 berths. The head area and double cabin are located at the front. The aft cabin is fully autonomous and accessible via a second companionway.

Total berths for 9 people.

Water capacity 300l (hot/cold pressurized water).

Marine toilet with holding tank.

Refrigerator, water heater, stove/oven, 2-burner gas stove, LED interior lighting.

Sails & Rigging:

Full batten mainsail

Gennaker on furler

Symmetrical spinnaker (can be mounted on bowsprit)
