## Description

The Coaster 650 is a very popular inflatable boat known for its balance between performance and comfort. It is designed to offer ample space on board, with a layout optimized for life at sea.

Thanks to its fiberglass hull, it offers stable navigation and good performance even in slightly rough seas. It is able to face daily outings, water sports and relaxing trips to the roadstead.

It offers large sunbathing areas both fore and aft, a central and ergonomic steering console.

The aft platforms facilitate access and ascent from the water and has numerous storage lockers.

In summary, the Coaster 650 is a great choice for those looking for a medium-sized inflatable boat for coastal pleasure.
