dufour yachts Dufour 31

16 000 € ALL TAX INCLUDED

Description

The 1977 Dufour 31 is a classic French sailing ship designed by Michel Dufour, which combines solid construction and timeless charm. With a length of about 9.4 meters and a beam of over 3 meters, this sailing boat offers an excellent compromise between performance at sea and comfort on board, ideal for coastal cruising and navigation within 12 miles. The fiberglass hull has a pronounced edge with a fixed keelboard, while the sloop sail plan with masthead mast allows good performance even in light winds. The interior is functional, with space to sleep comfortably and a cabin with a kitchen and bathroom. Inboard engine guarantees autonomy and safety in port maneuvers. The Dufour 31 is appreciated for its reliability, seaworthiness and classic seafaring character that makes it a symbol of the shipbuilding of the 70s, loved by fans of vintage boats and traditional sailing.

The boat has had 2 owners and the state of conservation is good. In 2025, the axle was replaced with a new stainless steel one, Volvo bushing and gland replacement and a new alternator.

Staging and technical:

Water pressure pump, Courtesy Lights, Gangway, Manual Bilge Pump, Entry door, swimming ladder, Outboard Engine Support Bracket, cockpit table, Winch Hydraulic.
