## Description

---

Discover with us the Cayman Yachts 57 HT, a true jewel of the sea, where comfort, power and elegance come together harmoniously. We love this model for its modern design, sleek lines and bright interior, designed for life on board.

You will appreciate its comprehensive equipment, practical tender garage, included tender and Yacht Controller, which ensures easy and precise manoeuvring. Thanks to its high-performance pods, navigation is smooth.

The helm station offers good visibility, assisted by radar and autopilot, for a peaceful cruise.

On board, everything is designed for your comfort: air conditioning, generator, washing machine, and plenty of storage space.

We make it a point of honour to offer a carefully maintained yacht, with invoices and complete records to back it up.

Choosing the Cayman 57 HT means choosing Italian reliability, voluptuous volumes, and the pleasure of sailing without compromise. A must-see
