## Description

---

The 1980 Contest 38 is an exceptional sailing boat, robust, elegant and rare on the market.

Its bow thruster, installed two years ago, facilitates all manoeuvres, even in the most confined harbours. The autopilot ensures remarkable sailing comfort, whether you are cruising along the coast or offshore. The hull was sandblasted and protected two years ago, ensuring a sound and durable base.

Its blue covering gives it a timeless look that is both classic and refined. On board, everything exudes Contest quality, with solid construction designed to last. You will appreciate its warm interior, made of solid teak, a testament to rare craftsmanship. Very clean for its age.

This is an opportunity not to be missed, as there are very few models on the market.
