Description

Discover with us the 2007 Sessa C42 HT, a yacht that combines Italian elegance, maritime comfort and remarkable performance. On board, everything is designed for your enjoyment: a large, bright saloon, a functional galley, two spacious cabins and a warm atmosphere. We particularly like its balanced hull, which guarantees smooth and safe sailing, even in rough seas. The exterior upholstery has just been redone, offering a convivial and refined space for your moments of relaxation. However, this boat requires some work: the bathing platform needs to be redone, a major mechanical overhaul is to be expected, as well as some aesthetic refreshments — all opportunities to personalise it to your taste. Its value for money is unbeatable, especially with the rare opportunity of a year-round berth. By choosing this Sessa C42 HT, you are opting for a boat with character, reliability and undeniable charm, ready to regain its former glory in your hands. Come and discover it for yourself!
