wauquiez 47 pilot saloon

240 000 € ALL TAX INCLUDED

Description

Elegant deck saloon always kept in good condition and equipped with laminate sails from '23, code zero from '22, bow thruster, generator and heating system.

The main purpose of this long-sailing cruiser is undoubtedly the quality of life on board, despite the fact that the Berret/Racoupeau design studio has been able to conceive lines capable of good performance, with rather slender bow entries, high stern on the water and contained immersed volumes.
