Description

If you're looking for an Antares 36 Fly with impeccable reliability, look no further! This 2011 model is in exceptional condition, attesting to regular maintenance carried out exclusively by professionals.

Seize this unique opportunity! This Antares 36 Fly is equipped with its robust Volvo Penta D4 twin 260 hp engines, showing only 202 hours! Ideal for long weekends or family cruises, it is very comfortable: full flybridge with sunpad and second helm station. Recent and regular maintenance (heat exchangers/elbows replaced in 2024) for immediate peace of mind.

This Antares 36 Fly is a true floating haven. Enjoy effortless navigation thanks to the bow thruster and perfect anchoring with its electric windlass. Hydraulic gangway for easy dock access. Complete electronics package (dual GPS, autopilot, VHF).

An owner's boat in impeccable condition, offering one of the best value-for-money ratios for a flybridge of this level of maintenance and options.
