## Description

---

The 2024 Axopar 37 Sun Top Brabus Line is the ideal solution for those looking for a premium tender or a high-performance day-cruiser boat. Professionally used as a tender and kept in impeccable condition, it perfectly combines design, efficiency and operational versatility.

The white Brabus Line hull immediately catches the eye, while the Sun-Top configuration offers the best compromise on the market between protection, comfort and livability of outdoor spaces. The boat accommodates up to 11 guests and guarantees a smooth and stable experience even in fast sailing.

Powered by two Mercury Verado 350 HP, the boat is responsive, brilliant and structured to ensure manageable fuel consumption at cruising speeds, while maintaining a superior performance curve. The Brabus Line package takes it to another level: premium materials, thoughtful details and a distinctive aesthetic that makes this model one of the most sought-after in its category.

The layout is designed for intensive use: lounge areas in the bow, modular cockpit, ergonomic helm station with Simrad instrumentation. Below deck you will find a complete and functional cabin, perfect for resting or managing occasional overnight stays.

In short: a "plug & play" boat, robust, modern, perfect for charter, hospitality or private use at a high level.

The interior of the Axopar 37 Sun Top Brabus Line is designed with a premium approach, meant to maximize comfort and functionality in a compact yet extremely intelligent layout. The cabin, located under the console, is finished with exclusive Brabus Line materials, gray tones,
