Combining sleek design and unmistakable sportiness, the Gran Turismo 36 captivates with its modern, elegant silhouette, signature LED lines, and high-end interior finishes, featuring dark wood and carefully designed lighting that create a refined and luminous atmosphere. Every detail reflects Bénéteau's style and identity, making this yacht stand out as much for its presence as for its performance.

Designed for comfort and sociability, this cruiser features a generous cockpit, sunpads at the bow and stern, and a hydraulic swim platform or large aft deck, perfect for enjoying the sea. The interior offers two cabins, a functional bathroom, and a galley—integrated or outdoor depending on the version—providing all the comfort needed for extended cruising.

In terms of performance, the Gran Turismo 36 benefits from a high-performing hull and technologies such as the patented Air Step® hull (depending on version), enhancing acceleration, sea handling, and fuel efficiency. Ergonomic helm stations ensure a true pleasure to drive, worthy of an express cruiser.

Versatile, this yacht is equally suited for day trips or extended stays, thanks to comfortable living spaces and generous accommodation. The new generation of "crossover express cruisers" (models 35, 40, 50) demonstrates this blend of sportiness and luxury.
