sealine 37 refitted

89 000 € ALL TAX INCLUDED

Description

The reputation of British shipyards is well established, Sealine is no exception. This 11.30m. Sealine 37 has undergone a major overhaul in terms of electronics, engines, flaps and upholstery. Its 2 Cummins 350hp will give you plenty to enjoy, and with its electronic controls and bow thruster, manoeuvring will have no secrets for you.

Her outside saloon is very convivial, with a small wetbar and fridge (saloon convertible into solarium), her helm station and the meridiene offer a unique atmosphere of pleasure as you watch the waves roll by. Inside, there are two very pleasant cabins, the master with its 3rd berth/sofa and small washbasin area, and the guest cabin forward with en-suite shower room and separate WC/washbasin area. We love the timeless lines, the electronic controls and navigation electronics, the reconditioned 350 hp engines, the deep V hull, the extended teak deck and hydraulic gangway, the upholstery, the interior saloon convertible into a double berth and the very complete galley area.

A beautiful unit with lots of storage space that can accommodate 7 people for great escapades in the creeks. A real cocoon where you feel at home:

The boat will be delivered antifoulling, polish, engine maintenance and bases done.

A great opportunity.

Feel free to contact us for more information, no commitment
