Description

Sealine S43 – Year 2003

Rare on the pre-owned market!

This motor yacht combines elegance and performance, ideal for comfortable family cruises as well as charter management.

Powered by Volvo Penta TAMD 74P – 480 HP each, approx. 800 hours, with ZF V-Drive transmission, offering superior navigation comfort and reliability (better than the Cummins diesel version of the time).

Recent maintenance includes new exhaust elbows and manifolds (2025), fuel tanks cleaned (2023), and air conditioning factory refurbished (2024).

Its autonomy with 3 fuel tanks (395 L each) and 2 fresh water tanks (200 L) makes it perfect for long-distance trips.

Equipped with a Yanmar Mase generator 2.5 kW (only 130 hrs), practically new.

Layout features 2 air-conditioned cabins with en-suite bathrooms, a fully equipped galley, teak cockpit and swim platform, and an OpacMare hydraulic gangway in impeccable condition!

The extra touch: Fusion Signature audio system and brand-new cushions.

Available for viewing 7/7 in Italy with Star Yachting.
