Description

The Princess 420 Flybridge is a motor yacht model manufactured by the renowned British shipyard Princess Yachts. This shipyard is known for its luxurious and high-quality yachts, which are appreciated all over the world. Here are some details and features of the Princess 420 Flybridge:

Design and layout:

Flybridge: The 420 Fly features a spacious flybridge that provides additional outdoor space, ideal for relaxation and entertaining. Here you will find comfortable seating, a steering console and often a wet bar or barbecue facilities.

Cockpit: The cockpit is generously designed and offers space for dining tables and seating. It is an ideal place for al fresco dining or simply relaxing.

Interiors: The interiors are luxuriously designed, offering comfort and elegance. There is a well-equipped galley (kitchen), a saloon with seating and panoramic windows, and several cabins.

Cabins

Master Cabin: The master cabin is usually located in the bow and has an en-suite bathroom.

Guest cabins: In addition to the master cabin, there are usually one or two guest cabins that are also comfortably equipped.

Bathrooms: There are usually two bathrooms with shower and toilet.
