apreamare 35 speedster

Description

Gozzo 35 Speedster is a special edition of the outboard version of the Gozzo 35.

This is an innovative proposal from Apreamare, which once again promotes the stylistic and conceptual renewal of a boat that has become a symbol of Mediterranean culture all over the world.

This model aims to combine the timeless style of the Sorrento Gozzo with the sportiness and high performance of a fast cruiser.

Designed by Marco Casali and Umberto Tagliavini, the emblematic Gozzo 35, with its

unmistakable Mediterranean soul and sober, elegant lines, is equipped with an 800 HP engine, designed for those who prefer the practicality, lightness and power of outboard motors, without giving up the tradition and style typical of Apreamare.
