nimbus Nimbus 310 coupe

85 000 € ALL TAX INCLUDED

Description

The Nimbus 310 Coupé has a really nice layout with a large cockpit and a door to the integrated bathing platform. From the cockpit, a sliding door leads to the bright and spacious saloon with a beautiful seating area, galley and helm station.

Due to the deep V hull ("deep V") and the solid construction, the boat is considered very seaworthy and weather-tolerant.

In 2026 : New shaft seal with automatic bleeding and the possibility of connecting to the 2nd circuit via engine cooling.
