Description

Designed to enjoy the pleasures of the sea, the Jeanneau Leader 36 is a high performance boat with an elegant and timeless design.

The boat is equipped with two spacious cabins with plenty of storage space, a bathroom with separate shower, a fully equipped kitchen and a large, bright saloon with an impressive sea view.

The saloon includes the forward cabin, which becomes a separate space, a true master suite, thanks to a very clever modular system: sliding door and partly removable bed.

This Jeanneau leader 36 boat is a hard-top version.
